

WHAT TO WEAR & BRING TO EVERY CLASS

Proof of vaccinations: If you did not digitally upload your dog's proof of vaccinations at time of registering, please bring a copy to your first class.

Flat sole, closed toe, comfortable shoes. **Sandals, clogs, flip-flops, high heels are not recommended for safety reasons.**

Long lightweight pants. Some dogs tend to jump up & pants prevent scratches. You may wear shorts at your own risk.

Quick access treat bag. **(No plastic baggies or containers, please.)** Treat pouches, carpenter's apron, small carpenter's tool pouch, or even a dog trainer training vest is great. We do have pouches available for purchase at our training facility, if you're in need of one.

An abundant supply of your dog's favorite treats in bite sized pieces approximately the size of a peanut. If your dog has a favorite toy or two, bring those too. If your dog loves his kibble, go ahead and bring that for rewards. It is recommended that you bring a variety of food rewards, each having a different reward value to your dog.

Leashes: Bring a 4 to 6 foot leash. **Flexi/retractable leashes are not permitted in class.**

A small hand towel or cloth. This is not necessary, but you will be glad you brought it, especially if your dog slobbers.

Flat buckle collar or Gentle Leader style head collar (harness for small breeds). Collar must be snug at the highest point of the dog's neck. If you currently use a choke chain or prong collar, bring a regular collar as well. Your trainer will go over different options when it comes to a training collar during class.

Beverage? It's only an hour, but if you think you may get thirsty, bring a drink (non-alcoholic).
